Red Arrow continues 100-year celebration

MANCHESTER — The Red Arrow Diner continues its year-long celebration of 100 years of operation in Manchester and has partnered with the Manchester Historic Association (MHA) to create a commemorative 100th anniversary pewter ornament with Steel Berry in Vermont.

Starting in August, the ornaments will be available for purchase through the MHA, at each of the Red Arrow Diner's four locations in Manchester, Concord, Londonderry, and Nashua, and on the Red Arrow Diner's website.

The Red Arrow Diner is also highlighting the decades of the past century with its 2022 monthly menu discounts, which correspond to popular foods of each time period.

The Red Arrow Diner's Facebook campaign, recognizing the contributions of 100 local businesses, is ongoing. The public is asked to continue nominating New Hampshire-owned businesses of any industry for consideration.

"We are overwhelmed by the support of the community as we commemorate 100 years in business," said Carol Lawrence, co-owner and president, Red Arrow Diner. "The rich history of the Red Arrow Diner and its role as a Manchester staple are due to the hard work of the owners and staff who came before us, and its future is secured by the amazing team members we have today."
